

KONG BUNYIM

Full-Stack Developer

ABOUT ME

Web and Mobile Application Development (WMAD) graduate from PSE Institute with 3 years of hands-on full-stack experience across more than 10 projects. Proven expertise in building dynamic web applications, e-commerce platforms, and system management tools. Highly skilled in modern frameworks and CMS platforms, including Vue, Nuxt, Laravel, Strapi, and WordPress, backed by robust database management using MySQL and PostgreSQL. A collaborative and adaptable developer dedicated to delivering high-quality, responsive solutions while continuously advancing technical skills in a professional team environment.
